The Minster Church of St Andrew is staging a second exhibition of the beautiful quilts that were exhibited in September last year with so many more wonderful displays to see in this event including floral displays and more beautiful creations from the Plymouth Calligraphy Group.

Also on display will be copies of two of the original drawings of the stunning stained glass windows designed by John Piper and created by Patrick Reyntiens. Visitors will be able to compare the original drawings by the artist with the finished windows.

Entry to the exhibition is free but donations to be shared between UNICEF and The Alzheimer's Society will be welcomed.

Teas and Coffees will be available. Due to social distancing, it will be necessary to limit the number of people in the church at any one time, so there may be a short time to wait. Visitors will be asked to wear a face covering while inside the church.
