**EXETER QUILTERS EXHIBITION 2019 Special category - Techniques**

This year our special category will be to display some of the different techniques we use to produce fabrics and quilts. Space is limited so we are mainly looking for small items, wall hangings, cushions etc.

We would like you to submit any pieces you think would be suitable and we will then make the final choices to display as wide a range as possible. We think this should be an exciting display and plan to have members demonstrating some of the methods during the show.

To give you some ideas :- types of fabric treatment such as procion dyeing, ice dyeing, photos, printing etc.

construction methods such as hand/machine piecing, hand/machine quilting, hand/machine applique

quilts such as crazy, sampler quilt, Baltimore, log cabin, pictorial, picture, wholecloth.

**Closing date 12th June to give us time to make selection - Forms to Linda Pardoe**

If you can email Linda a photo (a phone snap is fine)
